

ILLINOIS POLLUTION CONTROL BOARD  
August 8, 1991

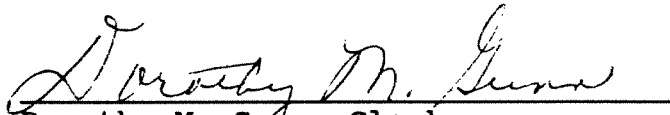

IN THE MATTER OF: )  
 )  
RCRA UPDATE, USEPA REGULATIONS ) R90-11  
(4-1-90 THROUGH 6-30-90) ) (Identical in Substance Rules)

ORDER OF THE BOARD (by J. Anderson):

On May 23, 1991, the Board entered an Order modifying its April 11, 1991 Order in this matter. The May 23 Order directed that certain corrections be made to the text of the rules adopted on April 11. Among these corrections, the last one was not made to the text of 35 Ill. Adm. Code 728.Table A, as published at 15 Ill. Reg. 9323, effective June 17, 1991. The entry for F024, Lead, Non-wastewaters was to have been corrected as follows: "~~0.021~~ Reserved". Because the error was not discovered in time to use the "correction" mechanisms in the Illinois Register, the Board will republish the text of Section 728.Table A, showing the correction as an adopted amendment.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above Order was adopted on the 8<sup>th</sup> day of August, 1991, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
