ORDER OF THE BOARD (by J. Marlin):

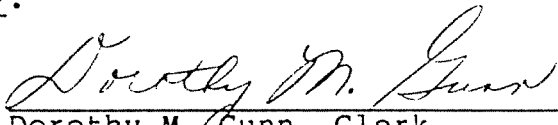

On July 19, 1989, the Illinois Environmental Protection Agency (Agency) filed a Motion to Amend Complaint on its Face. The Agency requests that the administrative citation in this matter be amended by deleting paragraph A(ii) which alleges violation of Section 21(q)(4) of the Environmental Protection Act (Act). Correspondingly the Agency also seeks that the requested civil penalty be reduced from \$1000 to \$500.

The Agency states that it has been able to "negotiate a quick cleanup of the open dump, permanent closure of the site, implementation of measures to prevent reoccurrence of open dumping in the area, and an agreement by the respondent to pay the \$500 civil penalty...." The Agency further asserts that "the public interest is better served if a portion of the requested civil penalty were to be used to help correct the pollution problem and thereby enhance the environment".

The Agency's motion is granted, and the administrative citation is amended as requested.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 27th day of July, 1989, by a vote of 6-0.
