)
Respondent.)

ORDER OF THE BOARD (by M. Nardulli):

This matter comes before the Board on the January 4, 1991 filing of Allied-Signal's amended claim for confidentiality and statement of justification. Allied claims confidentiality in pages 17, 18, 46, 47, 47a, 47b, 47c and 47d of its Engineering Evaluation Report which it was required to file pursuant to the variance granted on November 2, 1989. On November 28, 1990, Allied filed nine copies of its report but claimed the report as a trade secret pursuant to 35 Ill. Adm. Code 120.201(a). In its amended claim of confidentiality and statement of justification, Allied states that only certain pages of the report should be treated as confidential. The Board accepts Allied's statement of justification. However, since Allied is only claiming confidentiality as to certain pages in the report, Allied is directed to file with the Board no later than January 22, 1991 one copy of the report with the confidential information expunged so that the Board may properly place the report with the expunged information in its public file.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 10th day of January, 1991 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
