ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board on the Attorney General's Motion for Entry of Final Order filed on March 11, 1991. The Attorney General requests that the Board either rule on its April 28, 1989 motion for entry of a final order or enter a final order against the respondent consistent with the Interim Order of March 24, 1988. The Board rules on the motion as follows: we note that Elizabeth Street Foundry is still pursuing an adjusted standard (AS 89-2); however, our order of April 11, 1991 will close the docket on the current adjusted standard petition. Therefore, unless the Respondent files a new petition for an adjusted standard by June 14, 1991, the Board will enter a final order in this docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board hereby certify that the above Order was adopted on the 11th day of April, 1991 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
