ORDER OF THE BOARD (by B. Forcade):

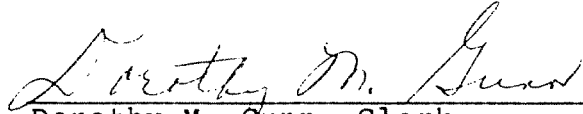

On June 1, 1989, General Motors Corporation filed an amended petition for variance restarting the 120-day statutory decision deadline in this matter. On November 30, 1988, General Motors Corporation filed its original petition for variance and the Board set the matter for hearing.

However, as of this date, the hearing officer has not set the matter for hearing nor furnished the Board with the Hearing Officer's Scheduling Order as directed by the Board's Order of December 15, 1988.

The Board orders the hearing officer to set a hearing and if the parties fail to provide an acceptable hearing date or if after an attempt the hearing officer is unable to consult with the parties, the hearing officer shall unilaterally set a hearing date, and provide a hearing officer's scheduling order, in conformance with the schedule outlined in the Board's Order of December 15, 1988.

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 8<sup>th</sup> day of June, 1989, by a vote of 6-0.
