ORDER OF THE BOARD (by G. T. Girard):

This permit appeal was filed with the Board on February 1, 1993. In a May 5, 1993, Board order the Board directed the hearing officer to schedule this matter for hearing by June 6, 1993, and to finish all hearings by August 11, 1993.

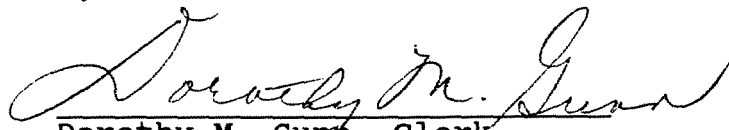

On June 8, 1993, petitioner, Beloit Corporation, filed with the Board a second waiver of decision deadline, pursuant to 35 Ill. Adm. Code Section 101.105. The decision deadline was extended to January 1, 1994.

Also on June 8, 1993, the petitioner and the respondent, Illinois Environmental Protection Agency, jointly filed an agreed motion asking the Board to vacate the Board's May 5, 1993, order. In support of this motion, petitioner and respondent outlined progress in their continuing discussions to resolve this matter, and noted the instant waiver of decision deadline until January 1, 1994.

In light of the extended decision deadline, and the on-going discussions between the parties to resolve this matter, the Board accepts the joint motion of the parties and hereby vacates its May 5, 1993, order in this case. The parties are directed to file a status report with the Board by October 1, 1993.

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 17th day of June, 1993, by a vote of 7-0.
