

ILLINOIS POLLUTION CONTROL BOARD
July 11, 1991

IN THE MATTER OF:)
)
THE PETITION OF THE CITY)
OF LaSALLE FOR EXCEPTION) PCB 86-2
TO THE COMBINED SEWER) (Combined Sewer
OVERFLOW REGULATIONS) Overflow)

ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on the City of LaSalle's motions to supplement and for leave to file limited copies. The motions were filed with the Board on June 11, 1991. However, the Illinois Environmental Protection Agency (Agency) was not served with a copy of the motions. The Board supplied a copy to the Agency. The Agency has not filed a response.

LaSalle asks that the Board allow it to supplement its amended petition for combined sewer overflow (CSO) exception with a proposed operational plan for its sewer system, and with additional documents relating to a collapse near the Marquette Street CSO. LaSalle also asks that it be allowed to file only three copies of the proposed operational plan, because of the bulk of that document. Both motions are granted.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 11th day of July, 1991, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
