ORDER OF THE BOARD (by J.C. Marlin):

This matter is before the Board on the Illinois Environmental Protection Agency's ("Agency") Motion for Leave to File Variance Recommendation Instanter filed April 5, 1991. The motion is accompanied by the Agency's Variance Recommendation.

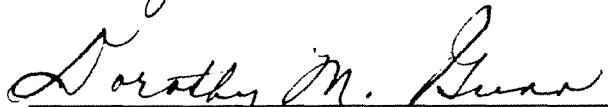

The Board notes that this filing comes some twenty days before the Board decision would be due in this matter and nearly sixty days after it was required to be filed with the Board. This tardiness has forced the Clerk of the Board to request, and receive, a waiver of decision deadline from Olin Corporation.

Due to the importance of the information contained in the recommendation, the Agency's motion is granted.

IT IS SO ORDERED.

J. Dumelle and J. Theodore Meyer dissented.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Opinion and Order was adopted on the 11<sup>th</sup> day of April, 1990, by a vote of 5-2.
