PETITION FOR REVIEW

JAMES STUTSMAN files this Petition for Review in the above entitled cause pursuant to the procedures for contesting this Administrative Citation and states:

1. That on May 18, 2005 the Illinois Environmental Protection Agency filed an Administrative Citation against James Stutsman citing certain violations as set forth in said pleading.

2. That JAMES STUTSMAN in an effort to comply with the requirements of the Illinois Environmental Protection Agency, has:

- A. Properly disposed of all lumber on the property;
- B. Piled all concrete blocks so as to not hold water in an effort not to create a breeding ground for mosquitoes until the concrete blocks are used for a foundation for a building on the property. If

required by IEPA, the concrete blocks will be stacked;

- C. Stacked all bricks on a pallet; and
- D. Properly disposed of all litter on said property.

JAMES STUTSMAN states that he is not in violation of the Illinois Environmental Protection Act, and requests a review of said matter.

Dated this 23 day of June, 2005.
