HEARING OFFICER ORDER

On July 21, 2005, the parties participated in a telephone status conference with the hearing officer. Petitioner's attorney plans to speak with respondent's enforcement unit to determine what the repercussions would be if levels of ammonia nitrogen exceeded the permit limitations. If petitioner would have an opportunity to comply with permit provisions before being penalized, the parties may be able to resolve this appeal.

The parties are directed to participate in a telephone status conference with the hearing officer at 9:30 a.m. on September 15, 2005. The status conference shall be initiated by the petitioner.

There is an open waiver of the decision deadline in this docket.

IT IS SO ORDERED.
