ORDER OF THE BOARD (by R. C. Flemal):

This matter comes before the Board on its own motion to close this docket. On April 27, 1989 the Board found, inter alia, that Respondents violated 35 Ill. Adm. Code 900.102 of the Board's noise regulations and ordered Respondents to cease and desist from violations of the Act and Board's regulations (paragraphs 1 and 2, respectively). Paragraph three of that Order also included a June 27, 1989 deadline date for the installation and operation of noise abatement devices. That deadline date was extended to September 27, 1989 by Order of the Board dated July 13, 1989.

In its April 27, 1989 Order, the Board ordered Respondents to notify Complainant and the Board as to whether it has complied with paragraphs 2 and 3 of the Board's April 27, 1989 Order. On August 7, 1989, the Board received a letter from Respondents stating that the installation of a noise abatement device is complete and that Respondent hoped to obtain a "release" from Complainant or the Illinois Environmental Protection Agency ("Agency") that the installation of the noise abatement device meets their approval. A copy of that letter was also sent to Complainant's attorney.

To date, the Board has received nothing further from either party or the Agency in this matter. The Board therefore finds that all pending Orders have been satisfied in this matter and hereby closes this docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 5th day of April, 1990, by a vote of 7-0.
