ORDER OF THE BOARD (by J. Marlin):

This matter comes before the Pollution Control Board on an administrative citation filed by the Tazewell County Board of Health on March 20, 1990.

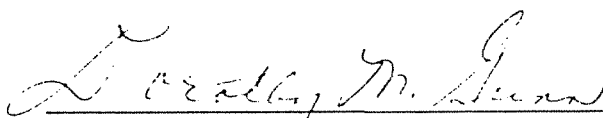

An examination of the copy of the administrative citation filed with this Board revealed the following deficiencies:

1. The cover letter does not indicate a name and address in the space labelled "Respondent is being served at:";
2. The cover letter and appearance form indicate "Tazewell County 90-EH-2," but the first page of the administrative citation indicates "Tazewell No. 90-EH-1"; and
3. The administrative citation and affidavit indicate that the inspection that found the alleged violations occurred on March 1, 1990, but the attached inspection report, compliance inquiry letter, narrative inspection report, map, and photographs all indicate February 27, 1990 (and are, in fact, identical to those attached to AC 90-23).

If the Tazewell County Board of Health does not file a copy of the administrative citation documents that cures these deficiencies within 10 days of the date of this Order, the citation may be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, do hereby certify that the above Order was adopted on the 23rd day of March, 1990, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
