OPINION AND ORDER OF THE BOARD (by B. Forcade):

This matter comes before the Board upon a complaint filed November 13, 1989 on behalf of the People of the State of Illinois ("People"), by and through its attorney, Neil F. Hartigan, Attorney General of the State of Illinois, against Bulk Molding Compounds, Inc. and J.E.C., Inc. ("Bulk Molding") located at 3N497N 17th Street, St. Charles, Kane County, Illinois. The complaint alleges that Bulk Molding has violated Section 9(a) and (b) of the Illinois Environmental Protection Act ("Act"), Ill. Rev. Stat. 1989, ch. 111 $\frac{1}{2}$, pars. 1001, et. seq., and 35 Ill. Adm. Code 201.141, 201.142 and 201.143 of the Board's rules and regulations.

Hearing on this matter was held February 8, 1990 in St. Charles, Illinois. At hearing, the parties submitted a Stipulation and Settlement Agreement, executed by the parties. Bulk Molding does not admit the alleged violations. Bulk Molding agrees to pay a civil penalty of \$12,000.

The Board has authority to impose a penalty where the parties have stipulated to a penalty, but not to a finding of violation. See, Chemetco, Inc. v. Illinois Pollution Control Board, 140 Ill. App.3d ,283, 488 N.E.2d 639, 643 (5th Dist. 1986); and Archer Daniels Midland v. Pollution Control Board, 140 Ill.App.3d 823, 489 N.E.2d 887 (3rd Dist. 1986).

The Board finds the Settlement Agreement acceptable under 35 Ill. Adm. Code 103.180. This Settlement Agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This Opinion constitutes the Board's findings of fact and conclusions of law in this matter.
