

ILLINOIS POLLUTION CONTROL BOARD  
August 30, 1990

IN THE MATTER OF: )  
 )  
PETITION OF THE CITY OF PANA FOR SITE ) R84-44  
SPECIFIC RELIEF FROM PHOSPHORUS ) (Rulemaking)  
REGULATIONS )  
 )

PROPOSED RULE. SECOND NOTICE.

OPINION AND ORDER OF THE BOARD (by J.C. Marlin):

On June 7, 1990, the Board proposed for First Notice this site specific relief from the Board's phosphorus rules for the City of Pana's wastewater treatment plant. The full text of the proposed rule was published in the Illinois Register on July 13, 1990 (14 Ill. Reg. 11093). The public comment period expired August 27, 1990, 45 days after publication.

On August 20, 1990 the Illinois Department of Commerce and Community Affairs filed a copy of the Small Business Assistance Bureau's Impact Analysis of the proposed rule. The analysis concluded that the rule would have no impact on the small businesses in the State of Illinois. No other public comments were received. No changes were made to the rule as proposed. The Board now proceeds to Second Notice publication of the proposed rulemaking.

ORDER

The Board proposes the following site specific rule for Second Notice, which is to be filed with the Joint Committee on Administrative Rules.

TITLE 35: ENVIRONMENTAL PROTECTION  
SUBTITLE C: WATER POLLUTION  
CHAPTER I: POLLUTION CONTROL BOARD

PART 304  
EFFLUENT STANDARDS

SUBPART B: SITE-SPECIFIC RULES AND  
EXCEPTIONS NOT OF GENERAL APPLICABILITY

304.218            City of Pana Phosphorus Discharge

The general effluent standard for phosphorus as P contained in Section 304.123 shall not apply to discharges from the City of Pana

wastewater treatment plant. Instead these discharges shall comply with an effluent limitation of 2.8 mg/l phosphorus as P as measured at the point of discharge.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Opinion and Order was adopted on the 30<sup>th</sup> day of August, 1990, by a vote of 7-0.

---

Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
