ORDER OF THE BOARD (by J. Anderson):

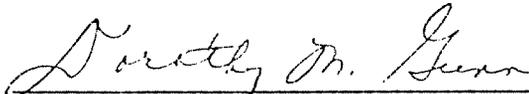

This matter comes before the Board upon a March 14, 1989 motion by the Illinois Environmental Protection Agency (Agency) for a further extension of time to file its Recommendation. The Agency states that negotiations on Petitioner's control strategy are ongoing, the Agency advises that counsel for Petitioner has informed the Agency that certain supplemental information will be filed with the Board and provided to the Agency by March 17, 1989. Petitioner thereafter wishes to meet with the Agency to discuss this supplemental information.

Under these circumstances, the Agency asserts it is unable to make a Recommendation to the Board as to Petitioner's compliance plan at this time. The Agency believes that it will be able to do so by April 7, 1989, presumably following receipt of the supplemental information and the discussions with Petitioner.

The Agency's motion is hereby granted. The Agency shall file its Recommendation by April 7, 1989.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 23rd day of March, 1989, by a vote of 7-0.

Illinois Pollution Control Board
