)

ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board upon a December 21, 1989, Petition for Variance filed by the City of Braidwood (Braidwood). The Board finds that this petition does not completely satisfy the requirements of the Board's procedural rules set forth in 35 Ill. Adm. Code 104. In particular, the Board notes that the petition does not include a hearing request or waiver as required by Section 104.124. Also, the petition references a Letter of Commitment sent to the Illinois Environmental Protection Agency (Agency) as part of Braidwood's proposed compliance plan. The Board requests that said Letter of Commitment be made part of the record in this proceeding.

If an amended petition is not filed within 45 days of the date of this Order, this petition will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 11th day of January, 1990 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
