Respondent.)

ORDER OF THE BOARD (J. C. Marlin):

This matter comes before the Board upon receipt of an Agency Recommendation dated December 18, 1990. The recommendation refers to a request from Petitioner, Mobil Oil Corporation for a 30 day provisional variance from the 90-day on-site limitations for hazardous wastes set forth in 35 Ill. Adm. Code 722.134(b).

Upon receipt of the request the Agency issued its recommendation, finding that the hazardous wastes must remain on-site for longer than 90 days due to unforeseen, temporary and uncontrollable circumstances and failure to grant the requested 30-day provisional variance would impose an arbitrary or unreasonable hardship on Petitioner.

The Board hereby grants Petitioner a provisional variance from 35 Ill. Adm. Code 722.134(b) from December 11, 1990 to January 10, 1991.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20th day of December, 1990, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
