ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a May 26, 1988 motion filed by petitioner Village of Elburn. The motion seeks reconsideration of this Board's April 21, 1988 Opinion and Order granting Elburn a nine month variance. Elburn also seeks an extension of the time to file its certificate of acceptance of the nine month variance, since that 45 day period will expire on June 6, 1988. The time period for a response to the motion by the Illinois Environmental Agency (Agency) has not yet expired, and the Board will not today consider the merits of Elburn's motion for reconsideration. However, since the time to accept the nine month variance is scheduled to expire during the pendency of that motion, the Board will extend by 30 days the time to file a certificate of acceptance of the variance previously granted by this Board. Thus, the time period to file the certificate of acceptance will expire on July 6, 1988.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 2<sup>nd</sup> day of June, 1988, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk
