CONCURRING STATEMENT (by J.D. Dumelle):

My reason for concurring is that I feel the stipulated penalty is far too low. Not only is it \$167 per year of violation but since 11 pieces of equipment are involved it is only \$15 per piece of equipment per year!

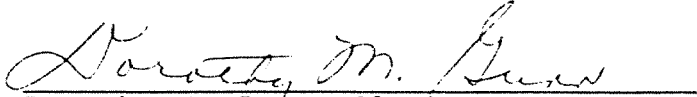

In the past the Board has usually assessed a penalty of \$500 to \$1,000 per piece of equipment per year of violation. Obviously if that were done here the total would be much higher than the \$3,000 penalty submitted.

I would have rejected the stipulation as clearly inadequate.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board hereby certify that the above Concurring Statement was submitted on the 5th day of September, 1990.
