

ILLINOIS POLLUTION CONTROL BOARD
August 10, 1989

IN THE MATTER OF:)
)
SPECIAL WASTE CATEGORIZATION) R85-27
) (SEE R89-13)

ORDER OF THE BOARD (by J. Anderson):

By this Order, the Board dismisses Docket R85-27.

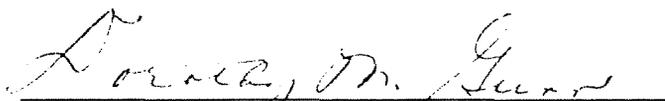

The record of the proceedings in this Docket R85-27 has been incorporated into the Board's newly titled R89-13 First Notice Opinion and Order adopted this same day, and which is attached and incorporated by reference herein. The Board recommends that this instant Order be read in conjunction with the Board's Opinion in R89-13.

The Board has been provided a regulatory proposal by its Scientific and Technical Section (STS) as directed by the Board's Interim Order of April 7, 1988 in this docket. Although the STS has not been able to finalize the proposal due to press of time and other considerations, there appears to be no purpose in insisting upon such a final recommendation in view of today Board's action in developing its own proposal in Docket R89-13. Accordingly, the Board herein discharges the STS from further obligations under its Interim Order of April 7, 1988, including those relating to ex parte restrictions.

Today's action should make clear that the Board has fashioned its proposal in R89-13, after evaluating the R85-27 record of the draft STS recommendations and the record developed to date, pursuant to Title VII of the Act.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 10th day of August, 1989, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
