ORDER OF THE BOARD (by J.D. Dumelle):

On May 24, 1990 the Illinois Pollution Control Board ("Board") adopted Modine Manufacturing Company's ("Modine") petition for a site-specific rule change, R87-36. Since Modine was granted site-specific relief the issues in the permit proceeding apparently are moot.

The Board requests that the petitioner, no later than June 28, 1990, file a motion to dismiss or other appropriate pleading addressing this mootness issue. Otherwise, this case will be subject to dismissal at the Board meeting, scheduled for July 3, 1990.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board do hereby certify that that above Order was adopted on the 7<sup>th</sup> day of June, 1990, by a vote of 7-0.
