ORDER OF THE BOARD (by J. Marlin):

This matter is before the Board on a December 7, 1989 motion to amend complaint on its face filed by the Illinois Environmental Protection Agency. In support of its motion the Agency states that the "allegation with respect to 'refuse in standing or flowing water,' is not sustainable." The Agency requests that this count be stricken and that the civil penalty be reduced to an amount consistent with the amended complaint. The Agency further states that the Respondent has agreed to remit the civil penalty to the Agency upon the entering of an Order amending the complaint as requested in this motion.

The Board hereby grants the Agency's motion to amend the complaint.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20th day of December, 1989, by a vote of 7-0.

  
Dorothy M. Gunn, Clerk
