ORDER OF THE BOARD (by J. Anderson):

On December 12, 1988, Waste Management of Illinois, Inc. (WMI) and the Illinois Environmental Protection Agency (Agency) jointly responded to the Board's Order of November 29, 1988 "by declaring that all matters in controversy raised by these proceedings, including the IEPA'S January 20, 1987 Motion to Modify, are moot and that no further action in these proceedings is required by the Board."

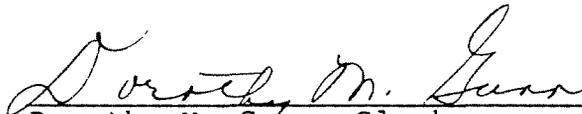

WMI stated that it has withdrawn its RCRA Part B permit application and no outstanding issues remain. The parties request the Board to enter an order terminating further proceedings in this matter.

Therefore, the Agency's motion to modify is deemed withdrawn and further proceedings in this matter are terminated.

The Clerk is hereby directed to close the record in this matter.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 15th day of December, 1988, by a vote of 7-0.
