ORDER OF THE BOARD (by J. Marlin):

This matter comes before the Board on a May 11, 1988, Amended Petition filed by McIntosh, Ltd. (McIntosh) in response to the Board's Order of May 5, 1988. This Amended Petition joined Turnberry as a Respondent to this proceeding.

On May 16, 1988, Turnberry Utilities filed a Petition for Variance requesting a variance concerning the same fluoride standard at issue in this proceeding. That Petition has been docketed as PCB 88-88. Since both this matter and PCB 88-88 are variances which deal with the same issue, the Board is inclined to consolidate these two dockets. McIntosh and the Illinois Environmental Protection Agency are instructed to file statements, by May 31, 1988, which address the issue of whether it would be appropriate for the Board to consolidate this proceeding with PCB 88-88. A similar Order in PCB 88-88 has also been issued.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 19<sup>th</sup> day of May, 1988 by a vote of 7-0.
