ORDER OF THE BOARD (by J. Anderson):

On December 23, 1987, attorneys for Forest Electric filed motions to appear for rehearing, and for production of the record to aid them in preparation for rehearing. On December 29, 1987, the Agency filed a response opposing only the motion for rehearing.

The motion for leave to appear is granted. The motion for rehearing is denied. As the Agency notes, Forest Electric made a business decision to have a corporate officer, rather than an attorney, represent it in this case prior to the Board's decision adverse to Forest. While Forest may have made a tactical error, the Board finds no legal error in this case which merits rehearing. Given this finding the motion for production of the record is also denied. The Board notes that, as is the case in all matters before the Board, the complete record is available for public inspection and copying (upon payment of copying costs); arrangements therefore can be made by contacting the Clerk of the Board.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 7th day of January, 1988, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
