ORDER OF THE BOARD (by J. Marlin):

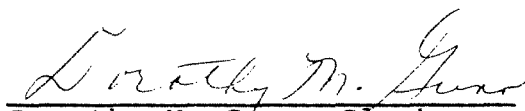

On June 13, 1988, Viskase Corporation (Viskase) filed a Motion for Withdrawal and Reconsideration. On June 30, 1988, the Board granted the Illinois Environmental Protection Agency's (Agency) request for an extension of time to respond to the motion. In the June 30th Order, the Board directed the Agency to file a response by July 11, 1988; no response was filed. Instead, the Agency filed a Motion to Stay on July 12, 1988.

In its July 12th motion, the Agency requests that the Board stay its decision on Viskase's motion until further notification. The Agency asserts that recent legislative action may obviate the need for the Board to rule on Viskase's motion. According to the Agency, Viskase concurs with the Agency's motion.

As a result, the Board will not dispose of Viskase's June 13th motion until either Viskase files a motion to withdraw its June 13th motion or the Agency files a response to the June 13th Viskase motion. Additionally, the response deadline imposed by the Board's June 30th Order is superseded by today's Order.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Opinion and Order was adopted on the 13th day of July, 1988, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
