ORDER OF THE BOARD (by J. Theodore Meyer):

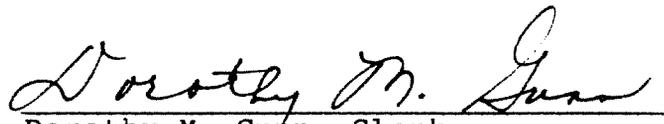

On April 1, 1988, the Board received a letter from counsel for respondent Daubs Landfill, Inc., pointing out a discrepancy in the briefing schedule. The Board's March 24, 1988 Order refers to final filings in this matter as due no later than April 14, 1988. However, at the conclusion of the March 25, 1988 Board hearing, the Hearing Officer established a briefing schedule under which petitioners' brief is due April 11 and respondents' briefs are due April 25. Daubs seeks clarification of this divergence.

The April 14 date referred to in the most recent Board Order is based upon a statement in the Board's February 4, 1988 Order setting this matter for hearing. The February 4 Order states that briefing shall be completed as expeditiously as possible, but no later than 70 days from February 4, which would be April 14. Since the parties have agreed to the schedule set by the Hearing Officer, the Board will not now change that schedule. However, it must be pointed out that the filing of the final brief on April 25 will not leave the Board much time for deliberation before the May 19, 1988 deadline for decision of this case.

IT IS SO ORDERED.

B. Forcade abstained.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 7th day of April, 1988, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
