ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a motion filed by respondent the County of McLean (County) on July 24, 1989. The County asks that the Board incorporate the entire common law record and transcript from Board docket PCB 87-133 into the record of this proceeding. The County states that the decision of the McLean County Board was based upon the common law record and transcript previously filed in PCB 87-133; that only eight new documents have been added to the common law record since the Board issued its May 25, 1989 order remanding PCB 87-133 to the McLean County Board; that the eight new documents and a certificate of record have been filed in this proceeding (PCB 89-109); and that it would be duplicative for the County to resubmit and cumbersome for the Board to accept identical copies of the common law record and transcripts previously filed in PCB 87-133. The County states that petitioner McLean County Disposal Company, Inc. has no objection to and concurs in this motion.

The County's motion is granted. The common law record and the transcripts from PCB 87-133 are hereby incorporated into the record of this proceeding.

Additionally, the Board notes that it received the \$75 filing fee from petitioner on July 20, 1989. The 120-day statutory decision period thus began on July 20, 1989.

IT IS SO ORDERED.

J. D. Dumelle and M. Nardulli dissented; R. Flemal was not present.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 27<sup>th</sup> day of July, 1989, by a vote of 4-2.
