ORDER OF THE BOARD (by J.D. Dumelle):

This matter comes before the Board upon a petition for variance filed on behalf of Camsco Produce Company, Inc. on December 3, 1985.

The Board finds the petition for variance deficient in a few areas pursuant to 35 Ill. Adm. Code 104.121. Specifically, Camsco Produce Company, Inc. should submit more information regarding the environmental impact on water quality conditions should the Board grant the requested relief. Also, since petitioner waives hearing, the Board must have an affidavit attesting to the truth of the facts set forth in the petition before the Board can act on it.

Unless this additional information is filed with the Board within 45 days of this Order, this proceeding is subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board hereby certify that the above Order was adopted on the 5th day of December, 1985 by a vote of 7-0.
