

ILLINOIS POLLUTION CONTROL BOARD
June 20, 1986

IN THE MATTER OF:)
)
PETITION FOR SITE-SPECIFIC) R 86-25
RULE CHANGE FOR THE VILLAGE)
OF TILTON)

ORDER OF THE BOARD (by B. Forcade):

On June 11, 1986, the Village of Tilton ("Tilton") filed a Petition for Site-Specific Rule Change. The Board, on its own motion, will waive the 200 signature requirement.

The Board finds the proposal fails to meet existing minimum requirements of 35 Ill. Adm. Code 102.120 for regulatory proposals, and Tilton will be required to file an amended petition meeting those requirements before the Board will proceed. The Board will take no further action on this proceeding until an amended petition is filed.

In addition for information purposes, Tilton may wish to review the Illinois Environmental Protection Agency's ("Agency") petition for rule change, R82-27, 36 and R83-37, which lists, at Part 102 Subpart G, additional factors which the Agency would like to see incorporated into site-specific petitions.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20th day of June, 1986, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
