ORDER OF THE BOARD (by J. D. Dumelle):

On June 20, 1984 the Board ordered the Illinois Environmental Protection Agency (Agency) and the Clerk of the Board to continue to protect for 35 days a portion of the permit materials beginning on line 9 and ending on line 10 of page 47, excluding the last four words on line 9 and the first word on line 10. On July 19, 1984, the Board reinstated its ruling, but ordered that the 35 day protection period would run anew from the date of that Order. That 35 day protection period expired on Monday August 27, 1984. As no Notification of a Petition for Review has been received by the Board during this period, the Clerk and Agency are hereby instructed that the described portion of the article shall no longer be protected pursuant to Subpart C of 35 Ill. Adm. Code 120. The Clerk is instructed to notify the owner and the requester in this case of this fact by sending each a copy of this Order. This instruction is consistent with the procedures prescribed in 35 Ill. Adm. Code 120.240(d).

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 12th day of October, 1984 by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
