ORDER OF THE BOARD (by J. Anderson):

The August 15, 1985 renewed application of Cynthia and Ernest Carpenter for leave to intervene as complainants in this action is granted.

Respondent's August 12, 1985 motion to dismiss or alternatively to require a more definite response is denied. As noted in complainant's August 15 response, the Board had ruled on the bulk of the issues presented in a similar motion directed to the initial complaint, which motion was denied by the Board June 27.

The August 15, 1985 motion to quash the notice of deposition for Mr. Ed Steagall and the August 20 response thereto are referred to the Hearing Officer for disposition; discovery motions of this type should be directed to the Hearing Officer in the first instance.

Finally, the Board declines at this time to impose the sanctions requested in complainant's August 15 motion. In so ruling, it is not the intent of the Board to countenance discovery delay; respondent is directed to respond to discovery requests expeditiously. Complainant is given leave to renew its motion in the event of non compliance with this directive.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 5th day of September, 1985, by a vote of 7-0.
