ORDER OF THE BOARD (by B. Forcade):

On September 24, 1984, the Illinois Environmental Protection Agency ("Agency") filed a proposal for the adoption of regulations that would in effect control the emissions of certain materials posing a hazard to human health and the environment. Various merit hearings were held throughout the State during late 1984 and 1985.

On October 16, 1985, the Agency filed a motion to withdraw the proposal for the adoption of regulations citing the press of other business and anticipated federal activity.

The Agency's October 16, 1985, motion to withdraw is granted. The proposal is dismissed and the docket is closed.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 24th day of October, 1985, by a vote of 7-0.
