ORDER OF THE BOARD (by J. Anderson):

Pursuant to the Board's Order of February 19, 1987, on March 3 the Agency filed a response to Pearson's January 14 motion for stay of the conditions contested in this permit appeal. The Agency has no objection to the stay "provided however that timely resolution of all matters at issue are provided for".

The motion for stay of the contested conditions, and the deadlines for activity contained therein, is hereby granted. The Board notes that hearing is presently scheduled for April 3, and that the Board's decision is due on May 14. Adherence to this schedule should satisfy the Agency's concerns.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 5<sup>th</sup> day of March, 1987 by a vote of 6-0.
