Respondent.)

ORDER OF THE BOARD (by W. J. Nega):

On June 4, 1986, the parties filed a Joint Petition for an Extension of Time which requested that the Board issue an order extending for 90 days the automatic permit revocation and penalty due date provisions contained in paragraphs 5 and 7 of the Board's February 26, 1986 Order.

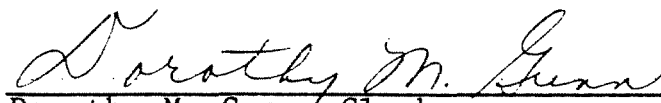

The Illinois Environmental Protection Agency (Agency) received a transfer application on May 29, 1986 for the Respondent's permits pertaining to the 17.6 acre solid waste management site located on the north side of the City of Minonk in Woodford County, Illinois. The parties have indicated that a ninety day extension of the date after which the permits will be revoked and the fines become payable will allow the Agency to properly evaluate the prospective transferee's ability to clean up and operate the site in accordance with the requirements of the Illinois Environmental Protection Act and the Board's February 26, 1986 Order.

The parties' Joint Petition for an Extension of Time is hereby granted.

The Board hereby extends until September 2, 1986 the automatic permit revocation and penalty due date provisions contained in paragraphs 5 and 7 of the Board's February 26, 1986 Order.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 20th day of June, 1986 by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
