ORDER OF THE BOARD (by B. Forcade):

The City of East Peoria is hereby granted a variance from 35 Ill. Adm. Code 306.303 and 306.304 subject to the following conditions:

1. This variance shall expire July 1, 1988.
2. This variance shall apply only to the 19 overflow points identified in the Petition for Variance.
3. By June 30, 1985, East Peoria shall submit to the Agency a compliance plan which shall include, but not be limited to:
 - A) a cost-effectiveness analysis to determine the most reasonable means to come into compliance.
 - B) a detailed investigation of the financial requirements to come into compliance.
 - C) an evaluation of whether the project can be segmented such that portions of the project can commence construction as soon as possible.
4. By March 31, 1986, East Peoria shall complete and submit final plans and specifications to implement the compliance plan.
5. East Peoria shall attain final operational status by July 1, 1988.
6. East Peoria shall continue to submit monthly overflow reports. These reports shall include all bypasses, shall separate bypasses into individual events rather than monthly totals, and shall indicate how durations were determined.
7. East Peoria shall not install any additional bypasses

without obtaining appropriate variance relief prior to their installation.

- 8. East Peoria shall clean the East Oakwood sewer as necessary to minimize bypassing, but in no event less than twice yearly; and
- 9. Within thirty-five (35) days of the date of this Order, East Peoria shall execute and send to Gary Reside, DWPC, Compliance Assurance Section, Illinois Environmental Protection Agency, 2200 Churchill Road, Springfield, Illinois 62706, a Certification of Acceptance by which it agrees to be bound by the terms and conditions of this variance. This 35 day period shall be held in abeyance for any period during which this matter is being appealed. The form of said certification shall be as follows
