ORDER OF THE BOARD (by C.A. Manning):

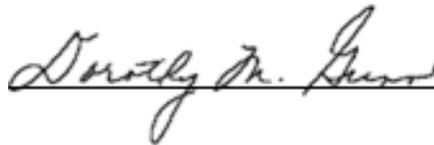

On October 25, 2000, A. E. Staley Manufacturing Company (Staley) filed a petition for review of an Illinois Environmental Protection Agency (Agency) determination granting a joint construction and operating permit (permit) with conditions. Staley maintains that certain conditions of the permit are “arbitrary, capricious, without merit, and pose unreasonable hardship on Staley.” Pet. at 2. The Board accepts this matter for hearing.

The Board’s rules require that the Agency file the entire Agency record of its decision within 14 days of notice of the petition. See 35 Ill. Adm. Code 105.102. Hearing must be scheduled and completed in a timely manner, pursuant to the applicable statutory decision deadline, or the deadline as extended by waiver. See 35 Ill. Adm. Code 101.105.

Absent any future waivers of the decision deadline, the statutory decision deadline is now February 22, 2001 (120 days from October 25, 2000); the Board meeting immediately preceding the decision deadline is scheduled for February 15, 2001.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 2nd day of November 2000 by a vote of 7-0.

Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
