ORDER OF THE BOARD (by J.D. Dumelle)

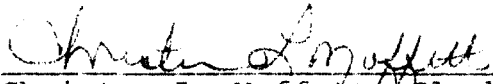

On August 5, 1983, fifteen Decatur citizens filed separate complaints in this matter all of which were docketed as PCB 83-132. On September 7, 1983 the Board received proof of service of only the complaint filed by William and Dolores Carter upon Dunn Company.

For reasons of administrative economy for all concerned, and since all of the complaints allege the same violations and contain similar issues of fact, all but one of the complaints is duplicitous and the remainder are hereby dismissed. The Carter's complaint, however, is accepted since their complaint was the first received, is the only complaint accompanied by proof of service, and the Carters are indicated to be the spokespersons.

In taking this action, the Board is not precluding the other citizens from participating in the proceeding. They may appear and testify at hearing and may, if they so desire, request intervention.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 15th day of December, 1983 by a vote of 7-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
