IN THE MATTER OF:)
JOINT PETITION OF THE)
CITY OF PONTIAC AND THE) PCB 83-231
ILLINOIS ENVIRONMENTAL)
PROTECTION AGENCY FOR)
COMBINED SEWER OVERFLOW)
EXCEPTION.)

ORDER OF THE BOARD (by J. Anderson):

Hearing on this December 14, 1983 petition for CSO exception has been scheduled for February 15, 1984. At p.9, ¶19 of the petition, the City commits to "continue its sewer cleaning program." The program itself is nowhere described in the petition or exhibits. As the parties appear to have in part relied on existence of the program in framing their "minimal environmental impact" justification for relief, detailed information concerning the sewer cleaning program must be submitted to the Board. The parties may correct this deficiency by a) filing an amendment to the petition prior to hearing, or b) presenting such information at hearing by way of testimony and/or exhibits.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 12th day of January, 1984 by a vote of 7-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
