IN THE MATTER OF:)

PETITION FOR SITE SPECIFIC) R82-3
EXCEPTION TO EFFLUENT STANDARDS)
FOR ALTON WATER TREATMENT PLANT)

Proposed Rule. Second Notice.

ORDER OF THE BOARD (by J. Anderson):

In its Proposed Opinion and Order of October 6, 1983, the Board proposed to adopt a new rule, 35 Ill. Adm. Code 304.206. First notice of this proposal was published at 7 Ill. Reg. 14910, November 14, 1983, the first notice comment period therefore ending December 28, 1983. The Administrative Code Unit submitted a comment on November 21, 1983, concerning Illinois Register first notice format and noting a typographical error in the rule. The Agency submitted a comment on January 3, 1984, which late submittal is accepted in light of usual holiday-related problems.

The thrust of the Agency's comment is that it "has no objection to the rule proposed by the Board [but] is concerned with the sweeping language of the Board's resolution of the Agency's earlier comments [in the Board's Proposed Opinion of October 6, 1983]" (PC 2, p.1). In the interests of administrative economy, the Board will defer consideration of any amendment of its Proposed Opinion until adoption of a Final Opinion and Order in this matter. The Board therefore directs that second notice of the following rule be submitted to the Joint Committee on Administrative Rules:

TITLE 35: ENVIRONMENTAL PROTECTION
SUBTITLE C: WATER POLLUTION
CHAPTER I: POLLUTION CONTROL BOARD

SUBPART B: SITE SPECIFIC RULES AND EXCEPTIONS
NOT OF GENERAL APPLICABILITY

Section 304.206 Alton Water Company Treatment Plant Discharges

This Section applies to the existing 18.3 million gallons per day potable drinking water treatment plant owned by the Alton Water

Company which is located at, and discharges into, river mile 204.4 on the Mississippi River. Such discharges shall not be subject to the effluent standards for total suspended solids and total iron of 35 Ill. Adm. Code 304.124.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Opinion and Order was adopted on the 12th day of January, 1984 by a vote of 7-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
