HEARING OFFICER ORDER

On August 18, 2005, all parties participated in a telephonic status conference with the hearing officer. The parties represented that a meeting was held on August 11, 2005, to discuss a resolution in this matter. To that end, it was agreed that the respondent would shut down the compressor on weekends and rearrange the operational schedule during the week in an effort to seek a resolve. The parties are to report the outcome at the next status conference.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 15, 2005, at 2:00 p.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
