ORDER OF THE BOARD (by I. G. Goodman):

On December 30, 1982 Petitioner filed a Petition for an Alternative Standard pursuant to the rules proposed in R80-22, which is now in Second Notice (Ill. Rev. Stat., 1981, ch. 127, par. 1005.01(b)). The same petition requested a variance pending adoption of the alternative limit. By the Board's own motion, these requests are separately docketed, each to contain the information filed to date. The alternative standard request will be docketed as PCB 82-153 and the variance as PCB 83-11.

On January 12, 1983 the Illinois Environmental Protection Agency (Agency) filed a Motion to Dismiss, citing the premature nature of the pleading. CPC responded on January 24, 1983, and on January 25, 1983 filed a Motion to Stay, to which the Agency concurred. Pursuant to this motion, the proceedings, jointly and separately, are stayed. Petitioner shall file the necessary separate variance petition for docket number PCB 83-11.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 27th day of January, 1983 by a vote of 5-0.
