HEARING OFFICER ORDER

On September 8, 2005, the parties were scheduled to participate in a telephone status conference with the hearing officer. Again, neither party appeared. If petitioner's attorney is unable to attend the next status conference, he is directed to contact the hearing officer in advance to discuss the status of this appeal. As last reported, the environmental consultant was going to be contacted to determine the necessity of maintaining this appeal.

The parties are directed to participate in a telephonic status conference with the hearing officer at 1:30 p.m. on October 4, 2005. The telephone status conference will be initiated by the petitioner.

Petitioner filed an open waiver of the decision deadline in this case.

IT IS SO ORDERED.
