HEARING OFFICER ORDER

On September 13, 2005, all parties participated in a telephonic status conference with the hearing officer. The respondents requested an extension of time to file their response to complainant's motion for summary judgment. Without objection, the respondents' motion was granted. The respondents' response is now due on or before October 3, 2005. The respondents also represented that they will be filing a cross-motion for summary judgment on October 3, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 8, 2005, at 11:00 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
