ORDER OF THE BOARD (by B. Forcade):

On August 20, 1987, the Respondent, Dunn Company, filed a motion to reconsider the Board's August 6, 1987, decision in this matter. This motion contains no proof of service on the named Complainants and Intervenors in this matter and, therefore, cannot be considered by this Board. The Clerk of the Board telephonically contacted the Dunn Company's attorney's office regarding this deficiency. To date, no proof of service has been provided. This motion for reconsideration is inadequate because of the lack of proof of service. Until adequate proof of service is provided, this motion cannot be considered as filed or pending before this Board.

IT IS SO ORDERED

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 5<sup>th</sup> day of September, 1987, by a vote of 6-0.
