ORDER OF THE BOARD (by J. Anderson):

On May 4, 1984, the parties filed a joint motion to correct a typographical error in paragraph 2 c) of the Order of February 4, 1982 granting variance. The parties correctly note that the December 1 date in sentence one was intended to be 1985, and not 1984. Accordingly, paragraph 2 c) of the Order is hereby amended, and is to read as follows:

"c) Construction of the excess flow facility shall be completed on or before December 1, 1985. However, in the event that a state grant is awarded after January 1, 1984, construction shall be completed within 11 months of the date of the award of the state grant."

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 18th day of May, 1984 by a vote of 6-0.
