ORDER OF THE BOARD (by J.D. Dumelle):

Petitioner seeks a 30-day extension of the ninety (90) day maximum holding period for on-site accumulation of hazardous waste by means of a provisional variance pursuant to 35 Ill. Adm. Code 722.134(b). The Illinois Environmental Protection Agency has concluded that the hazardous wastes must remain on-site for longer than 90 days due to unforeseen, temporary and uncontrollable circumstances and has found that compliance with Section 722.134 would impose an arbitrary or unreasonable hardship on petitioner and recommends that petitioner be granted provisional variance. The Board hereby grants petitioner a 30-day provisional variance pursuant to Section 722.134(b) from April 18, 1988 to May 18, 1988.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 23rd day of May, 1988 by a vote of 4-0.
