ORDER OF THE BOARD (by J. Anderson):

Each of these eight appeals, filed July 18, 1983, concerns denial of special waste stream permits for disposal of wastes at the same landfill, located at 13606 Knoxville Road, Rock Island County. Agency denial of each of the permits was premised on Agency belief that SB 172 site location suitability approval was a necessary precondition to issuance of the contested permits.

As these appeals contain common issues of law and fact, in the interests of administrative economy the Board, on its own motion, hereby consolidates these appeals for the purposes of hearing.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 26th day of July, 1983 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
