ORDER OF THE BOARD (By J.D. Dumelle):

This matter comes before the Board upon a December 16, 1986 petition for variance filed on behalf of the City of South Beloit. This petition is deficient in that it fails to conform to the requirements of 35 Ill. Adm. Code 104.121-104.124. Specifically, the City should specify from which particular provision of the Board's regulations the City seeks variance. Also, the City should provide a more detailed explanation of the proposed compliance strategy and a detailed assessment of the environmental impact of the variance should it be granted. The City should also submit a copy of the NPDES permit and should include either a request for a hearing on its petition or a statement waiving hearing accompanied by an affidavit attesting to the truth of the facts asserted in the variance petition.

Unless this information is filed within 45 days of the date of this Order this matter will be subject to dismissal.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 18th day of December, 1986 by a vote of 6-0.

Illinois Pollution Control Board
