ORDER OF THE BOARD (by W. J. Nega):

On May 31, 1984, the Village of Odin filed a petition for variance in PCB 84-65 which requested a variance from 35 Ill. Adm. Code 304.120 to allow a temporary discharge from a proposed holding lagoon, if necessary, during the period of time that its wastewater treatment plant is shut down for maintenance and repairs.

On July 9, 1984, the Petitioner filed a letter with the Board which requested permission to withdraw its previously filed variance petition in PCB 84-65 in light of its pending provisional variance request in PCB 84-88. The Petitioner's motion for withdrawal of its variance petition in PCB 84-65 is hereby granted.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board hereby certify that the above Order was adopted on the 17th day of July, 1984 by a vote of 5-0.
